

CREDIT & SCREENING POLICY

General Screening

Thank you for applying! Please review "Before You Apply," "Credit & Screening Policy" and "Pet Policy" prior to applying. These documents, disclosures, acknowledgements, and other general information can be reviewed on our website at <https://www.homelabpm.com/residents> under the Resource Section. This home has additional lease addendums and acknowledgements required to be reviewed and signed prior to any lease acceptance and execution. These addendums and acknowledgments will be sent upon final screening and approval and are located at <https://www.homelabpm.com/residents> under Links and Resources.

All applicants will be charged a **\$85.00** application fee per adult (18 or older) and is NON-REFUNDABLE.

*****Multiple Applications May Be Reviewed in Choosing an Applicant*****

In a multiple-application scenario, all submitted applications may be screened, and the best-qualified applicant may be selected. Screening begins once a completed application is received with all supporting documents and all additional screening parameters submitted (i.e. Pet Screening). However, if the **first application received** meets all qualifications and is approved as an **A-rated applicant**, that applicant **will be selected**, regardless of additional applications. This ensures a fair and efficient process while prioritizing highly qualified candidates.

Each adult over 18 is required complete a separate application form. It would be in your best interest to confirm that your rental requirements are not outside of our Resident criteria with multiple adult roommates, eviction history, foreclosures, bankruptcies, job loss, minimal income, low credit scores (below 500), unusual pets, large pets, multiple pets, multiple families, or anything that would cause your application to be rejected.

Applications reviewed during normal business hours Monday thru Friday 8am to 5pm. Please allow 48-72hrs for initial application review. Screening times can vary depending on additional documentation needed and verifications requested with 3rd parties such as employment and rental verifications.

Wanting to offer less than list price for the home will cause your application to be delayed or rejected

HomeLab Property Management does not prescreen Applications. Applicants are required to pre-screen themselves with the following criteria and will need to meet the requirements below. We encourage you to apply if you meet the below criteria and always ask questions.

This application, background information, credit scores, rental history, criminal history, and employment verification may be viewed by the Landlord/Property Owner.

Application Process & Screening Criteria

HomeLab Property Management is committed to equal housing and we fully comply with the Federal Fair Housing Act (FFHA). We do not discriminate against persons because of race, color, religion, sex, handicap, familial status, national origin, or age. HomeLab Property Management also complies with all state and local fair housing laws. We offer application forms to everyone who requests one. Approval is based on SEVEN factors:

- Credit History
- Income Verification
- Criminal Background Check
- Terrorist Database Search
- Employment Verification and History
- Rental Verification and History
- Animal Screening Criteria

Credit History

A credit report will be completed on all applicants to verify credit ratings. Income plus verified credit history will be entered into a credit scoring model to determine rental eligibility and security deposit levels. Unfavorable accounts which will negatively influence this score include, but are not limited to: collections, charge-off, repossession, and current or recent delinquency. Debt to a previous landlord, no credit, and open bankruptcies may result in an automatic denial of the application. The HomeLab Property Managements decision to not rent the property to the Applicant may be based on the information received and each applicant is notified if the application is denied based upon the information provided on the credit report.

Contingent/Conditional Approvals – Lease Protection Fees – Resident Credit Score Based

HomeLab Property Management can offer applicants with lower than a 600 Credit Score with an opportunity to rent by offsetting the monetary risk for the owner, and/or the management company. Applications may still be approved with less than a 600-credit score. Combined Resident Scores of 600 or higher are usually approved with normal rents, advertised admin fees, and the advertised security deposit/cleaning/pet deposits.

*Within each of the 5 Credit Tiers listed below there will be additional Screening Requirements, Documents, Letters of Explanations, Verifications, and “Bad Debt” maxes per category and in general. (Bad Debt includes, but is not limited to, Charge Offs, Active Collections, Paid Collections, Past Collections, Repossessions, Bankruptcy, Liens, and any other negative credit findings.)

Applicants with Less Than a combined 600 Credit Score May be Subject to a Lease Protection Fee and/or Increased Rent and/or other proposed terms, as outlined below:

Combined Resident Score of 580 to 599 will require an additional up front Lease Protection Fee of \$550.00. Reference: High Accept. Monthly Option of \$40/mo.

Combined Resident Score score of 560 to 579 will require an additional up front Lease Protection Fee of \$1050.00 – AND - are subject to review and approval by upper management. Reference: Moderate Accept. Monthly Option-\$550 Upfront and \$50/mo.

Combined Resident Score score of 540 to 559 will require an additional up front Lease Protection Fee equal to \$1,550.00 – AND - are subject to review and approval by upper management. Reference: Low Accept. Monthly Option-\$550 Upfront and \$90/mo.

Combined Resident Score score of 520 to 539 will require an additional up front Lease Protection Fee equal to \$2050.00 – AND - are subject to review and approval by upper management. Reference: Conditional. Monthly Option-\$550 Upfront and \$140.00/mo.

Combined Resident Score score of 500 to 519 will require an additional up front Lease Protection Fee equal to \$2550.00 – AND - are subject to review and approval by upper management. Reference: Conditional. Monthly Option-\$550 Upfront and \$180.00/mo.

* Lease Protection Fees are paid up front and prior to lease agreement execution in full. Payment options are available but are subject to higher amounts as outline. Lease Protection Fees are NON-REFUNDABLE.

Denied Lease Approvals: Any combined Resident Score under 500 are typically declined unless extenuating circumstances are proven.

Calculating for the Combined Resident Score of Multiple Applicants: Add the two Resident Scores together for both (or more) applicants and divide by the number of applicants in the home to arrive at the determining number for the approval process.

Example:

1) Applicant ONE has a Score of 600

2) Applicant TWO has a Score of 550

Gross Score =1,150. Divide by Two = (1,150/2) = **575 Combined TU Score** = \$1050.00 Lease Protection Fee

Offering an approval based upon a total Resident score below a 600 comes with inherent risk to the homeowner/landlord. An approval can be offered even to Residents with less than perfect credit as long as they can pay the additional fee associated with their credit scores to offset the risk involved for all parties.

This program is offered on a Case-by-Case basis only ---weighing heavily on other factors outside of credit score to include income and rental history compiled by Experian, Equifax or TransUnion as well as special circumstance situations. Homeowner maintains the right to retract this offer for any applicant based on other criteria associated with the application process.
