# How does it work?

We're glad you asked. Check out our frequently asked questions.

## Does this take care of my security deposit?

Yes, this is a one-time non-refundable fee that satisfies your deposit requirement when you move in.

---

## What happens if there is damage to my rental?

Any missing rent or excessive damage beyond normal wear and tear will still be your responsibility to pay back. If there are no damages or rent owed, you can simply move out.

---

## How much does it cost?

The cost is determined by multiple factors, but generally ranges between 25% and 50% of a full month's rent.
